PERSONAL PROJECTS

Easyshop

- Designed and built a responsive and functional user interface for an e-commerce application using React.js, Swipe.js, and Tailwind CSS.
- Implemented features such as product listings and shopping cart.
- Ensured cross-browser compatibility and optimized performance for a seamless user experience.

Music Player App

- Developed a responsive and interactive music player application with Vanilla JavaScript, CSS, and HTML.
- Created features including audio controls, play modes and shuffle.
- Focused on creating an intuitive UI and enhancing user engagement through smooth animations and transitions.

WORK EXPERIENCE

Revenue Collection Agent   *August 2022– January 2024*

Avancee Pinnacle Ltd

- Managed the revenue cycle, including the collection process, reconciliation, and customer service.
- Ensured the accuracy of cash collections and performed regular reconciliations.
- Addressed customer inquiries and resolved issues to maintain high satisfaction levels.

Teacher   *August 2019 – August 2020*

Bodmas Academy, Ilorin

- Taught Biology to Senior Secondary School students, preparing lesson plans and delivering engaging lectures.
- Supervised students during practical sessions, ensuring a safe and productive learning environment.
- Coordinated students during extracurricular activities and assisted in school events.

EDUCATION

University of Lagos

BSc Botany   *January 2015 - February 2019*
